LAW (A) DEPARTMENT

G.O.Ms.No.19 **Dated:17.04.2023**

O R D E R:-

Post-bifurcation of the State, the successor state of Andhra Pradesh has lost access to the institutions of eminence &national importance such as National Academy of Legal Studies And Research (NALSAR) etc., All these institutions contributed towards the development of a knowledge based society and fuelled the service sector growth of the state.

2. The state of Andhra Pradesh is currently having the Damodaram Sanjivayya National Law University (DSNLU) in Vishakhapatnam. DSNLU has an intake capacity of 180 to 200 per year for under graduate and post graduate courses. This is grossly inadequate considering the population of the state of over 5 crore. NALSAR alone has an intake capacity up to 1,000 students per year across various courses covering BA LLB (Hons), LLM. MBA, PhD, PG Diploma. Thus, the present ecosystem of legal studies in Andhra Pradesh is inadequate. To meet this objective, it is proposed to establish a second National Law University with a diverse course curriculum, robust physical and information infrastructure to complement the existing DSNLU & to further augment the knowledge economy in the state. The proposed law university will offer course for under graduate & post graduate levels, especially focusing upon the emerging trends in the legal sphere.

3. The Government have decided to establish the second National Law University in Andhra Pradesh at Kurnool in order to enhance accessibility to institutions of excellence in higher learning, promote decentralized development and also provide greater economic opportunities to the local communities. Further, in view of heavy work-load of the TR&B Department & the Panchayat Raj Department, it is decided to entrust the task relating to the design, development & execution of the necessary infrastructure facilities relating to the project be entrusted to the AP State Police Housing Corporation Ltd.

4. After careful examination of the matter, the Government of Andhra Pradesh hereby accord in-principle approval for establishing the second National Law University of the State at Kurnool locating in an extent of (50) acres of land identified at Survey No. 793/1A & Survey No.805in Lakshmipuram Village of Kallur Mandal, Kurnool district.

5. Accordingly, the Government hereby entrust the task relating to design, development & execution of the necessary infrastructure facilities relating to the National Law University to the AP State Police Housing Corporation Limited.
